

Job Posting

Staff Clinician (University of Saskatchewan; Saskatoon, SK)

Human Solutions™ is seeking a creative and consultive-minded clinician who is a Registered Psychologist or Registered Social Worker for a full time staff position in our University of Saskatchewan EAP office. You will have an Master's in Social Work or an M.Ed. or PhD in Counselling or Clinical Psychology, and hold current registration with the Saskatchewan provincial governing body. For Registered Psychologists, having an APE designation is highly desirable. You will provide clinical counselling and support to University employees. As a member of the University Integrated Team, you will participate in an integrated support team working with Health and Wellness, Human Resources and other employee support services. You will provide consultation and wellness services to Human Solutions™ professional community, you will receive extensive administrative support, opportunities to meet and consult with colleagues, and professionally trained staff booking your appointments from our national client services centre.

About US:

Human Solutions™ has been an industry-leading EFAP provider since 1979. In addition, we provide an array of organizational development services which place the core counselling component within a program that promotes overall employee and organizational health.

Responsibilities:

Will include counselling, proactive mental health care, after care planning, assessments, trauma intervention, case management, professional consultation, and workshop presentations within the University community. You will possess excellent communication skills both verbal and written, and be able to identify opportunities to add consultative value to integrated team intervention planning process. Treatment services and consultation services outside of formal assessment can be met with minimum of Master's in Social Work, Counselling, or Clinical Psychology and registration with provincial college. Assessment services require Registered Psychologist with APE designation.

Salary is negotiable, based on experience and education, along with an attractive benefits package.

Please submit your resume with cover letter by email to careers@humansolutions.ca.

Closing Date: Competition for this position is effective now and will remain open until a suitable candidate is located.

We thank all applicants for their interest.
